

## Informed consent to interview

I consent to the interview conducted by the persons listed in Appendix 1 in the context of the research described in Appendix 2. The controller for the processing of the personal data in the context of this research is listed in Appendix 3.

I have received sufficient information about the purpose of the research.

I understand what is expected of me in the research project.

Any personal data collected during the interview will only be processed for the aim of the research described in Appendix 2 and will be kept for no longer than the duration of the research project.

I consent to the interview being audio recorded solely for the purpose of the interviewer(s) being able to fully focus on the conversation. Once the recording has been consulted in order to process its contents in the context of the research described in Appendix 2, the recording is permanently deleted. In any case, the recording is deleted 2 months after the interview date.

The findings may be used for the research purposes described in Appendix 2 and may be published in an anonymous manner. My name will not be published except possibly in a list of interviewees. Confidentiality and anonymity of the information provided is guaranteed at every stage of the research project.

I understand that I will receive no payment for participating in the research.

I would like to be informed of the results of the research. The researcher can send (a link to) the research results to the following mail address: [frank.robben@mail.fgov.be](mailto:frank.robben@mail.fgov.be)
